A WORD FROM THE RECTOR

Dear Friends,

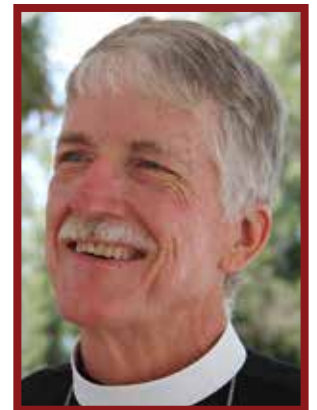

Attending worship in pj's with a cup of coffee has become a thing. Why get up, get showered (hopefully...), dressed, something to eat, in the car, etc., when I can roll out of bed, get my coffee and read the paper during the boring bits?

Where do I begin?

*"For where two or three are gathered in my name,
I am there among them."*
Matthew 18:20

The church is not a worship service for you to consume on Sunday morning (or some other time). It is the Body of Christ gathered — a community. Granted, Jesus did not have livestreaming and video conferencing, but it is clear that He intended to create a gathered community. Everywhere the disciples went, everywhere the church spread, it spread as community. Community is both the strategy and the result! Without real community, the church is just a random collection of vaguely religious people and it will die in a generation.

The church is community because WE NEED community! God has designed us to live in community, first in our families, then in our church and then beyond to the rest of the world. That need simply is not met thru a screen and a microphone. When it is not possible to gather, whether we are separated by miles or pandemics or ill health, these modern communication tools are a great blessing, and we will use them. But they will never match the spiritual, emotional and mental health that is fostered in face to face community.

Continued on Page 2...

If you doubt this, consider the darker, more negative elements of our online connections. When social media becomes a substitute for rather than a supplement to face to face relationships, it often leads to isolation, depression and despair. In recent weeks a very popular model and twitter personality has been exposed as a rather vicious cyberbully, saying online things she would probably never say face to face. Of course, she is not alone but a high-profile example of a pervasive problem. These tools can be a wonderful supplement to face to face relationships, but they will never be enough.

"And let us consider how to provoke one another to love and good deeds, not neglecting to meet together."
Hebrews 10:24-25a

Thus far, I have addressed our personal need for face-to-face engagement, love, support and worship. Do you consider the impact that your presence, your face, your words have on others? You may be just what someone else needs today! You may never know the impact you have on others just by showing up. We need you! Don't miss the chance to be Jesus in someone else's life, even without knowing it!

"For as in one body we have many members, and not all the members have the same function, so we, who are many, are one body in Christ, and individually we are members one of another. We have gifts that differ according to the grace given to us."
Romans 12:4-6a

While I could go on for many pages, I will add just one more. Gathering as the Body of Christ is a tremendous testimony to others. When things are really important to us, we make time to gather with others who also care about them. If this is true of athletics, musicians, knitting clubs, community service organizations and political organizations, how much more should it be true of us as followers of Jesus? If it is important to us, we gather with likeminded folks to encourage and support one another in this great adventure! Not only

does it encourage us but it says to the world that we believe this is critically important.

To help make this fun, we are adding some special touches in the fall. On the second Sunday of September, October, November and December, we will worship at the outdoor altar, then gather for a picnic! Let's gather to renew the ties that bind! Let's refresh our face-to-face fellowship! We will also bring back the 7:45 a.m. service on Sept. 19!

Let's encourage one another in the coming adventures God has in store for us!

In Christ,

"Good News"

Sept - Oct 2021

Schedule & Deadline

The deadline for the next issue of "The Good News" (September – October, 2021) will be Tuesday, August 17. Please email (preferred) your submissions to office@stjohnsmlb.org or get them to the church office by August 17, 2021.

Sunday Ministries Schedule

For the time being, we will not be publishing a calendar or Sunday Ministries schedule. The schedule will return in September.

Loaning of Church Items

If you would like to borrow tables, chairs, cribs, linens etc. please speak with Fr. Eric or Kathy Oas, Jr. Warden, first as there might be an event on the schedule where these items are needed. And, of course, we need to keep track of the church's property. Please contact Kathy at kmoas40@gmail.com, Fr. Eric at eric@stjohnsmlb.org, or call the church office at 321-254-3365.

Seaside Stitchers

Thank You to the Seaside Stitchers for their contribution to the Wholeness to Healing Food Bank food pantry, one of St. John's outreach partners. Bob Stitzel mentioned at the May Outreach meeting that now that the stitchers are meeting in the parish hall again the amount of food he delivers to the pantry has increased exponentially.

Sylvia Greaves with a quilt she made

The stitchers also create and donate items to many local organizations. Outfits for both boys and girls are delivered to the Brevard elementary schools for in-need children. Each outfit includes underwear, socks and shoes.

Supporting our food pantry collections

Many seniors here in the Melbourne area receive essential items made by the stitchers, such as neck pillows, adult bibs, and lap quilts.

Whether you have no experience, or you are an excellent seamstress they would love to welcome you to their group. The schedule varies, so please contact Shirley Muzzy (321-254-2206 or shirleymuzzy@aol.com).

FAMILY DINNER NIGHT is back!

Now that most St. John's folks are vaccinated, we have restarted this very popular pre-pandemic opportunity! Join us TUESDAY, June 29, 6 p.m. at Pizza Gallery and Grille, 2250 Town Center Ave, Viera. Then our July gathering will be Friday, July 23, 6 p.m. at Beef 'O' Brady's, Wickham and Lake Washington. Come and bring a friend! This is a great way to introduce others to your friends at St. John's.

New Database System

St. John's is migrating to a new and significantly updated database system. We have been using ACS (Automated Church Systems) for many years and we will be moving to a new system called Realm, which is the next generation from ACS. It includes a variety of features that will be very helpful including the ability to access it from the web (not just when sitting in the office) and a smartphone app! We will also be making a concerted effort, led by Katie Wilson, to update all member information. Watch for more information and please help Katie when asked!

Outreach Focus

July and August

St. John's Outreach for the months of July and August has been designated to our expenses related to our work with Family Promise of Brevard. Due to the pandemic the sheltering program we work with is suspended but will resume in the Fall. Each week of hosting costs \$300 – \$400. Some needs are covered by in kind donations but this fund helps us cover the additional expenses that may come up in being good hosts. Contributions in the blue or lavender envelopes in the pew racks or clearly marked for outreach will replenish St. John's Restricted Fund for Family Promise of Brevard.

Rector's Vacation

Fr. Eric Turner will be on vacation August 2 – 19.
Fr. Terry Highland will preach and lead worship August 8 and 15.

Hispanic Outreach

Our new Spanish worship and outreach will launch on Saturday, July 17, 6 p.m. under the direction of Canon Luis de la Cruz. Services will be the first and third Saturdays of each month, in the Chapel at 6 p.m. Flyers are available for you to put up anywhere you can! Please keep this ministry and Canon Luis in your prayers.

Christian Education

Adult Christian Education gathers in person, in the Chapel (to the right, just before entering the Parish Hall), and the class will also be available via Zoom video conferencing. We are studying the epistles to Timothy. No experience required! If you would like to join by Zoom, the link is available on the church website. Visit stjohnsmlb.org and click on Worship Live Stream. You may also email the church office at office@stjohnsmlb.org and we will send you the link.

Adult Education will take a break in August and part of September resuming again on September 19.

Youth Christian Education (middle and high school), under the leadership of Katie Wilson, is gathering in the Parish Hall, at this time in-person only.

A WORSHIPING COMMUNITY

Worship and Picnics in the Park!

Beginning September 12, and the second Sunday in October, November and December the 10:00 a.m. worship service will be held in the park, followed by a picnic. We look forward to a lot of fun getting back together! We also hope this will be an opportunity to invite new people to St. John's!

The 7:45 a.m. Holy Eucharist Rite I service will re-launch September 19.

St. John's Outreach support paid for light in the staff housing at Exodus Ministries in Karuma (northern Uganda), a ministry providing vocational training to women leaving prostitution. Thank you for your generous support -- it makes a difference!

SHARING HIS LOVE

Family Promise of Brevard

Continues to provide critical services to the homeless. FPOB is doing a super job with all three of its three programs; especially Prevention and Stabilization. Even the Shelter Program is providing important services to families. We are a participating member of the Shelter Program, now basically on hold, and we are waiting for the reopening of this vital program. During the pandemic, it is clear the Prevention Program has become a primary means for addressing the homeless problem. It is significantly cheaper than sheltering and saves many families from entering into homelessness.

Stabilization is also a key program. Recently, Palm Bay and Titusville awarded FPOB \$60,000 to help with Case Management (CM) for their residents and the County of Brevard awarded \$35,000 for CM and services in the Cocoa area. Basically, CM involves professional counseling on available services, such as "how to do" (like find a job). CM also includes social and financial training, and other aspects of stabilizing family life. The Stabilization Program continues to provide short term housing in hotels for a limited number of families.

What can we at St. John's do while the church Shelter Program is on hold?

First, be ready when the Shelter Program is reopened. Our Captains MUST be ready with teams ready to roll. Captains, please contact your teams and insure each of your volunteers is ready.

Second, we as individuals can support FPOB fund raisers, such as the recent Emerald City 5K walk/run, the November golf ball drop, and right now as you are reading this, the Smile Amazon initiative, see [https:// Smile.Amazon.com](https://Smile.Amazon.com) website. It's easy! For each purchase you make from Amazon, FP automatically gets a percentage. It doesn't cost you a thing! Family Promise of Brevard is one of over 120 Affiliates across the country (and it is worth noting FPOB is recognized as one of the best).

Family Promise is a wonderful ministry for our church. As we wait for the Shelter Program to reopen, let us do everything we can to support FPOB initiatives. We receive a regular Tidbit report from Executive Director Tara Pagliarini which I pass along via St John's Chat. I strongly urge you to keep up to date and support FPOB initiatives.

GUIDED BY SCRIPTURE

Fr. Terry Highland offers a very brief, weekly meditation online. It will be available both as a video (2-3 minutes) and in written form. This is an opt-in, meaning that we will send it to those who request it. The meditations come out on Tuesdays. Please email office@stjohnsmlb.org if you would like to opt-in!

GROWING SERVANTS OF CHRIST

SUSPENDED DURING PANDEMIC

GROWING SERVANTS OF CHRIST

Daughters of the King

The St. John's Chapter of the DOK will not meet in July, but will meet again on Sunday, August 1, 11:30 a.m. in person in the Chapel and also via Zoom. Please email Sarah Kendall at 537sarah@gmail.com for the Zoom link.

You are personally invited to join a community of women who believe in the power of prayer, service to others, and the sharing of the gospel to expand the Kingdom of God. If this mission speaks to you, Daughters of the King at St John's, may be calling you.

Here is what St. John's DOK members are saying about our chapter:

"Being in a group of women who not only encourage me to keep praying, but hold me accountable in my prayer life, helps keep me grounded in following the Holy Spirit."

For His Sake...

I am one, but I am one.

I cannot do everything but, I can do something.

What I can do, I ought to do.

What I ought to do, by the grace of God I will do.

Lord, what will you have me do?

DOK continues to take the call to prayer seriously, even more so during the pandemic. You may send your prayer requests to Sarah Kendall at 537sarah@gmail.com or 702-203-6093. Please be aware that prayer requests to the DOK are only shared with the members of the DOK. They will not be shared with the clergy or put on the church prayer list unless specifically requested.

Daughters of the King is sponsoring New Life Mission, one of our neighbors here in Eau Gallie and a member of our Outreach program. New Life Mission helps homeless moms to transform their families through education, accountability, and goal advancement. Their program empowers families to become self-sufficient and break the cycle of homelessness. Items requested are wipes, diapers, and detergent pods. Please check out the DOK table set up in the parish hall for additional items New Life need.

GROWING SERVANTS OF CHRIST

Leadership Training at St. John's

Leadership training will take a break during July and August and will resume again on Thursday, September 2, at 7 p.m. (in the chapel).

Vestry Notes

April 15, 2021

Fr. Eric reported new Diocesan Covid guidelines. The new guidelines removed the requirement to sanitize the space, routine cleaning is adequate. The capacity was increased from 1/3 to 1/2 while retaining 6 feet social distancing. Prayer books, hymnals, and other pew materials may be returned to the pew racks. In response to these changes, outside groups will be contacted regarding use of the facilities.

Outreach Team: A team has been named – Sarah Kendall, Lee Steininger, Skip Alcorn, Linda Fletcher, and Fr. Eric. They will meet next week.

The Vestry will attend a 1/2 day retreat. Saturday, April 24, 2021, 9:00am, Parish Hall.

May 20, 2021

Susan Badgio, Assistant Treasurer, presented the finance report for the month ending April 30, 2021, summary below.

New diocesan Covid-19 guidelines had been released in draft form earlier that day. St. John's response was outlined - revised mask policy, beverage coffee hour, alms basin passing will all be implemented. Plans for website revision will be established. The Vestry will return to in-person meeting in June. The team establishing the Hispanic Ministry will return later in May for canvassing and planning.

June 17, 2021

Steve Bradley, Treasurer, presented the finance report for the month ending May 31, 2021, summary below.

Primary topics of discussion focused on the failing church property air conditioner units and investments in tools today which will support St. John's in the future. The Vestry approved expenditures and fund appeals for replacement air conditioners, web site re-design, and choir loft repair.

Of concern to the Vestry is a widening gap between funds pledged and actually received. Statements will be created and emailed or snail-mailed to parishioners.

The Vestry normally meets on the third Thursday of the month. We will meet July 15, but there will be no August meeting. We have returned to in-person meetings (in the Chapel) with Zoom available.

A WORSHIPING COMMUNITY

Preparing for the Future

Coming out of this pandemic is not simply a return to what was. Many things have changed, some dramatically, and we cannot just turn back the clock. That includes the church.

As I addressed in my letter on page 1, people have learned that there are other ways to "go" to church than getting in a car. Church online is critically important, for reasons I'll discuss below, but it is not enough. We need to go "full-speed" for both face-to-face engagement and community, and for online engagement and discipleship. I think most of us understand the importance of face-to-face engagement, but some of us over about 50 do not appreciate the importance of our online presence and engagement unless we have deliberately worked at it.

This brings me to two seemingly unrelated financial needs that have come up for St. John's, which are beyond what we have budgeted. First, we need to replace the two air conditioning units that serve the parish hall. This supports our face-to-face engagement as no one wants to have fellowship, classes, meetings, meals, etc. in a space that is not air-conditioned and heated.

Here's the immediate background: Recently, we learned that the unit that supplies the smaller portion of the parish hall and the kitchen had, in fact, died. While we can usually hobble along on the larger unit, which cools the larger space in the hall, it is a strain on hot days and especially when there is a lot of traffic. While Kathy Oas, Jr. Warden, was pursuing bids so we would know what sort of cost we were looking at, it was discovered that the larger unit will likely not last another month. Code requirements have changed and we are now required to replace both compressor and air handler at the same time. All this adds up to mean that we now need to completely replace both units. New code requirements also mean that we can no longer have three air handlers in the one closet, so one of the handlers will be moved to another space which will require some electrical and carpentry work.

Bob and Dennis Stitzel have been very helpful in working out exactly what is needed and getting us a good bid for the work. The bid we now have to replace both units is \$11,368 (a very good price for a 4 ton and a 5 ton unit). This does not include the electrical and carpentry work that will be required to complete the job, so we estimate that the final cost will be about \$13,000.

Two very generous members have already pledged \$7,000 toward this work, leaving a \$6,000 need.

The second item of Preparing for the Future is to update the church website. For most of us, we see our internet presence primarily as an advertising medium to get people in the building, and that remains an important function. I can confidently say that we have not had a first-time visitor in at least 10 years who had not already visited the website.

That vision of our internet presence is no longer adequate. This pandemic has thrust us decades into the future in terms of the role that the web and social media play in our lives. If we want St. John's to survive the coming decades, we need to upgrade our web presence and strategy significantly. Recognizing this need, the vestry has authorized \$6,500 to hire a company called Bold Orion, to redesign our website. While this may seem like a lot to spend on a website, I want to assure you that it is critically important for the next generation of St. John's members.

As I told the vestry at our June meeting, I believe that the churches that will survive and thrive in the next 10-20 years will be those that do two critical things well: online engagement and outreach. I'd love to believe it is all about evangelism, preaching, teaching, music, worship, etc. Those things remain important, but they only matter if we are able to reach people and get them engaged in those activities. A critical thing most people are looking for in a church now is making a difference in the community, and most of that engagement will begin online. We must do both and do them well for the rest of the preaching, worship, evangelism, etc. to take hold and transform people's lives.

I've gone way beyond the financial need this began with, but it is important that we understand why this is worth doing.

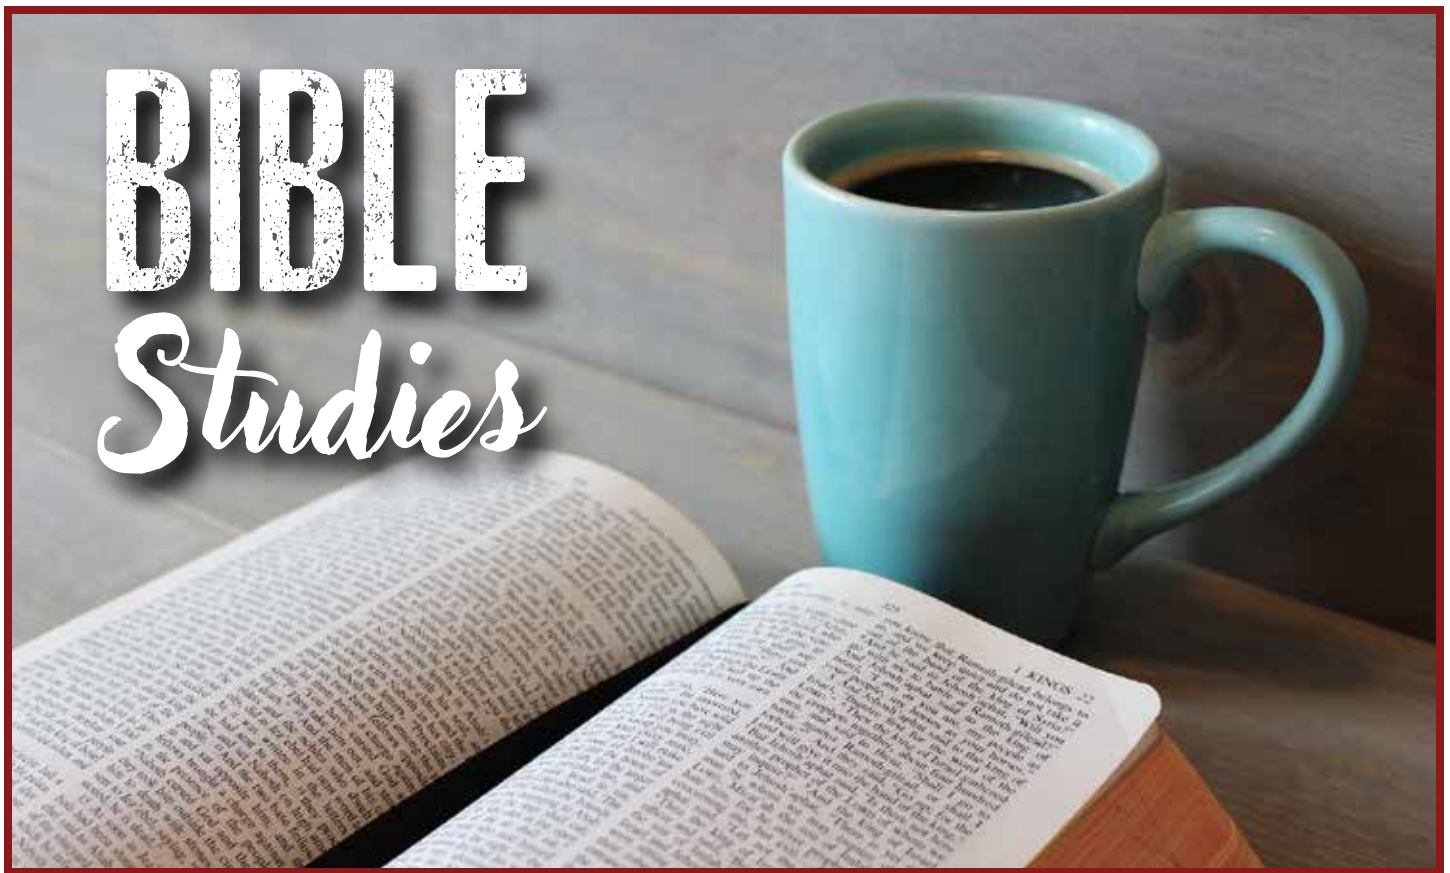

The total cost of these two projects is \$19,500. This is not available in our operating budget. While we do have reserves that can cover this (allowing the vestry to commit to the expenses), we are also aware that every time we chip away at those reserves, they are not there for the next big need, and we believe that the members of St. John's will step up to the plate on these needs. As mentioned above, \$7,000 is already committed or given. We are, therefore, looking for additional contributions of at least \$12,500 to cover these expenses without invading reserves. Anything above that amount will be held in the Capital Projects account for future needs.

If you are able to contribute to this, please note "Preparing for the Future" on your check. It is easiest if this is a separate check as it must be deposited into a different account. If you prefer to give online, via PayPal, you can make the same notation on your contribution. Visit stjohnsmlb.org and click on Donate Now.

Thank you for all your generous support of St. John's over the years!
