A WORD FROM THE RECTOR

Dear Friends,

I would like to encourage your prayers for at least these three things over the summer:

First, Charlene and I will be leading the first Solar Light for Africa Summer Mission since 2019. We leave July 13 and will have the team there for about two weeks. We have a team of nine, which is better than we expected given lingering travel difficulties, economic problems and continuing pandemic concerns. One answer to prayer already is that the requirement for a negative COVID test to return to the US has been dropped. At least two people I know well were out of the country and tested positive (even without symptoms). They had to quarantine for ten days before returning and in one case the cost was over \$7,000!

We will install a "micro-grid" at a hostel and related service buildings for refugee girls in Hoima (western Uganda); in a primary school near Lira (northern Uganda, operated by an orphanage called Otino Waa that we have worked with for many years); in a residential school for deaf children near Jinja (on the north shore of Lake Victoria, east of Kampala), and in a slum school in Kampala. Funds donated by St. John's along with some gifts in memory of Gloria Kenworthy will fund the slum school installation.

After the team leaves, Charlene and I will do a system outside of Kampala paid for by a grant from my Rotary Club, then we will visit the Ssesse Islands, in Lake Victoria, southwest of Kampala.

Continued on Page 2...

While there we will inspect sites for future installations as well as check for accommodations that might be available for a future team. The people on the islands remain quite poor, even by Ugandan standards, due to being isolated by water and endemic disease. One interesting tidbit is that the name Ssesse Islands comes from the high number of tsetse flies found there!

Second, although I haven't been talking about it much, the triennial (every three years) General Convention of The Episcopal Church meets this summer, July 8-11 in Baltimore. This is a dramatically shortened Convention (4 days, rather than the usual 10 days) and that fact alone will add pressure and struggles for the deputies trying to accomplish the work needed. In the lead up to the Convention there has not been much in the church press about controversial issues, but things likely to come up will include revising the Book of Common Prayer, rites for same sex marriage, abortion, and re-tooling the church in the wake of the pandemic. You can follow the Convention at GeneralConvention.org. Bishop Brewer will be posting daily updates and a video report will be made available after the convention. To get Bishop Brewer's updates and to be notified when the video summary is available, visit CFDiocese.org/CFEDigitalDigest and subscribe to the Digital Digest.

Third, Bishop Brewer has announced that he will retire in June 2023, so the Diocese of Central Florida has embarked on the process to elect a new Bishop. Nominations are now open and in the late fall we will be introduced to a slate of candidates. A special Convention will be held January 14, 2023 for the election. It is expected that the new bishop will be consecrated and enthroned (yes, that is the technical term) June 10, 2023. While I was deeply involved in the cycle that led to the election of Bishop Brewer, I am not this time around, so I can't offer any insight. I have been appointed to the Transition Committee, to guide bringing the new bishop here and introducing him or her to the Diocese, but that work has not yet begun. You can track this process at DCFSearch.org.

So, while we all change gears for summer, there are important things afoot. Please keep these items and all the life of St. John's in your prayers.

In Christ,

Fr. Eric Turner
Rector

A WORSHIPING COMMUNITY

Welcome Our New Music Director

Beginning on July 1, Dr. Jerry Davidson will assume the duties of Organist/Choirmaster. Jerry has been Interim O/C for the past 2-1/2 years at St. Andrew's in Ft. Pierce and we are fortunate that he has agreed to join St. John's. Jerry and his wife, the Rev. Susan Davidson, have been residents of Melbourne for three years. Susan is currently serving as Priest in Charge for St. Matthew's in Orlando.

He holds degrees from the University of Arkansas, New York's Union Theological Seminary, Northwestern University, is a member of the American Guild of Organists and president of the Space Coast Chapter of the AGO. He has served as assoc. dean and professor of Church Music at Louisiana State University.

He has directed notable church music programs in Arkansas, Connecticut, Florida, Louisiana, and New Jersey.

Wednesday evening choir rehearsals will continue through July, with the choir taking the month of August off. Rehearsals will begin again on Wednesday, September 7. NOW is the time to consider joining our choir. If you read music, we'd love to have you; there are no auditions - all that is required is a love of singing and a willingness to be faithful. Let Jerry (or, if you prefer, Dr. D.) know that you'd like to be a part of this important ministry. We think you'll be glad you did. Email him at jfd112@gmail.com.

And a Thank You!

We also thank Roberta Stocksdale, who has served as our interim organist and choir director since January. Thank you for your service and your talent!

A WORSHIPPING COMMUNITY (con't)

Worship Volunteers are needed for a variety of rolls.

We will train you! All that is needed is a willing heart!

LEM'S and Lay Readers: We need a few more folks to take part in the service by serving at the altar, reading lessons and assisting with Communion.

A/V & Livestream: We need a couple more people who will learn to run our sound and livestream systems. Only moderate comfort with a computer is required - we will train.

Ushers and Greeters: Are needed to welcome the Sunday worshippers.

Please contact Linda Fletcher at lcalvert1956@yahoo.com or the church office at office@stjohnsmlb.org for more information.

GROWING SERVANTS OF CHRIST Daughters of the King

DOK installs new officers

Members of the DOK with Fr. Eric at a New Life Mission banquet

The St. John's Chapter of the Daughters of the King has had a busy spring, both within the church and also within our community.

One of our on-going service projects is New Life Mission (formerly Brevard Rescue Mission) and, with the help of our congregation, we continue to donate non-food items for their ministry. With inflation increasing, it becomes more expensive for the ministry, and they appreciate all our donations. We deliver a carload of donations to the ministry every couple of weeks.

GROWING SERVANTS OF CHRIST (con't)

Daughters of the King

In April, New Life Mission had a two-day fund raiser luncheon at the Melbourne Rialto, raising more than \$720,000 – an amazing amount! Our St. John's Daughters sponsored a table, with seven Daughters and Fr. Eric having fun at the event, learning more details about the ministry.

In May, we celebrated Sarah Kendall with a party as she stepped down as President, presenting her with a gift from our Chapter. She has done so much for our Daughters and has been a very gracious and loving leader. She will continue to be active in our chapter.

In June, Fr. Eric installed our new officers on Pentecost: Mary Highland, President; Charlene Turner, Vice President; and Jackie Bond, Secretary -Treasurer. It was a special service, not only receiving the Holy Spirit on Pentecost, but also with a visit from Dr. Karen Adderly-Clark, Diocesan Daughters of the King President, who presented a program on the Holy Spirit to the Daughters. Fr. Eric also thanked outgoing President, Sarah Kendall for her work getting the St. John's Chapter running and active again.

If anyone has prayer requests, please give them to any Daughter. A list of the members is on the bulletin board in the Parish Hall. We also have a Prayer Box in the sanctuary, next to the candles. All prayer requests remain confidential within our group. If you want Fr. Eric to know about the prayer request, please speak with him separately. The Daughters thank St. John's for their support, and for allowing us the honor of praying for each of you, Fr. Eric, and the church. May God bless each one of you.

Growing Servants!

Part of St. John's Mission is to grow servants of Christ, both drawing in new servants and helping each one here to become a better servant. In order to create a clear and easy path for members (and others) to enter into various forms of ministry through the church, we are launching a monthly program in the fall that will highlight opportunities for service, as well as lessons from Scripture and other Christians about being better servants and finding the growth God has for us in ministry. Watch for details in the next newsletter!

KEEPING UP WITH ST. JOHN'S ONLINE

St. John's Chat is an email "list" that allows you to keep up with the latest news at St. John's, prayer list updates, etc. You can also share things with others at St. John's. To subscribe, please just send your email address to Fr. Eric at eric@stjohnsmlb.org.

If you are on **Facebook**, you can also search "St. John's Episcopal Church" and like the page. Then you will get updates in your newsfeed, which you can respond to, or share with your friends.

St. John's **Weekly eNews** is a weekly (clever, huh?) email newsletter giving information on upcoming activities, what will be happening on Sunday, and other things. It generally includes a reflection from Fr. Eric on the lessons for the coming Sunday along with links and other information. This comes out every Thursday afternoon at 4 p.m. To subscribe, please send your email address to Fr. Eric at eric@stjohnsmlb.org.

St. John's now has a **YouTube Channel** which is where we post worship live streams and sermons. Visit [YouTube.com](https://www.youtube.com) and search for St. John's Episcopal Church, Melbourne Florida, then follow us! You can also find links to all past and upcoming worship services by visiting stjohnsmlb.org and clicking on Worship Live Stream.

And, of course, there is **St. John's Website** at stjohnsmlb.org. You will find a variety of information there including schedules, the church calendar, archives of the "Good News", Sunday Ministry schedules, the latest eNews and much more. Poke around!

School of Healing Prayer

St. John's will offer our third session off the School of Healing Prayer, Level 1, a ministry of Christian Healing Ministries, based in Jacksonville and founded by Francis and Judith MacNutt. Lead facilitator will be Brenda Cole-Milner who has been involved in healing ministry for many years and has led this class many times both here at St. John's and elsewhere. Co-Facilitators will be Fr. Terry and Mary Highland.

The class provides a foundational, practical approach to becoming a prayer minister and/or developing a prayer ministry. The classes will include DVD teachings, discussion and prayer.

The class will meet ten Tuesday evenings, 6 – 9 p.m. beginning September 13 and concluding November 15. Registration forms are available in the parish hall and should be submitted by the end of August. There is a cost of \$49 to cover the cost of printed materials.

For the first time, we will also offer Level 2 of the School of Healing Prayer. This will be a weekend intensive, Thursday evening through Saturday, October 6-8.

Questions and more information? Contact Brenda Cole-Milner at jesuschik316@gmail.com or the church office.

Outreach Focus

July

DIOCESAN MISSIONS: The Episcopal Diocese of Central Florida supports two families in foreign missions.

Serving in San Paolo, Brazil are the Rev. Steven and Mary Dass, ministering among homeless children and adults in the 'red light district' of Sao Paulo Brazil. They are tangible witness to God's love for these hurting people who are ignored by most of society.

This is not funded through the Diocesan budget. You can learn more about them on their blog at spmercyministry.com.

Serving in support of other missionaries are the Rev. Loren and Linda Fox. The Foxes live in northern Thailand, working in various parts of Asia.

Linda coordinates member care for missionaries and their families working in some of the most difficult corners of Asia. Fr. Loren coordinates strategy and leadership development – focused on planting churches among seven unreached peoples who currently live outside the reach of the Church. To learn more: send an email to ReachUs@EngagingTheAdventure.org.

Outreach offerings for the months of June and July will be divided between the Dass and Fox families.

August

ST. JOHN'S OUTREACH FOCUS for the month of August has been designated to go to Habitat for Humanity of Brevard, the local branch of a well-known, global ministry helping the poor and needy achieve the dignity and security of a permanent home, so often the key to advancing in other areas of life. Visit brevardhabitat.com to learn more. Anything in the Outreach offerings in the month of August will go to Habitat of Brevard.

Daily Bread

St John's is now serving at Daily Bread the first Thursday of the month. The upcoming duty days are August 4, and September 1, 10:30 a.m. – 1:30 p.m. If you are interested

in serving on this worthwhile team, contact Jackie Bond at jbfromgb58@gmail.com.

Thank You from SLA

In the month of April, St. John's gave over \$2,600 to Solar Light for Africa! Thank you for your ongoing support, year after year, for this ministry! A team traveling in July will use these funds, along with some gifts in memory of Gloria Kenworthy, to power a school in a very poor slum area of Kampala. We will bring back pictures!

SHARING HIS LOVE

Music in the Park

St. John's is hoping to restart a program of music in the park, this time in conjunction with a fellowship meal and more investment in advertising to make it a more effective outreach to the community. We are dividing the leadership into three parts. Charlene Turner will be in charge of the food and we are looking for someone to find and schedule the musicians and a third person to coordinate publicity.

If you would like to help with this, please contact Fr. Eric, Sr. Warden Linda Fletcher or email office@stjohnsmlb.org.

Outreach Team

No meeting in July. The next Outreach meeting will be August 16. Help us help others.

For more information contact Linda Fletcher at lcalvert1956@yahoo.com or Fr. Eric at eric@stjohnsmlb.org, or call the church office at 321-254-3365. To join the meeting on August 16, simply click on the Zoom link found in the church calendar on the St. John's web page..

Family Promise

After hosting homeless families for three years, 2017-2019, and an approximate two-year hiatus caused by the pandemic, we have now received a draft schedule from Family Promise of Brevard for hosting families for the remainder of this calendar year. We have two, one-week periods scheduled. The first is August 14-21, and the second, December 11-18. Every volunteer should try to set these two weeks aside for Family Promise. We have the luxury of time to reserve these dates now. We need more volunteers for every task, but in particular volunteers to prepare a hot dinner meal and additional overnight hosts. There is always something for everyone. For example, part of the hosting experience is having our volunteers have dinner with the families each evening. The families enjoy visiting with you plus, it's always a delicious free meal.

To volunteer, contact Lee Steininger, leestein645@aol.com, 321-243-4597.

This is a very rewarding ministry for our church and community. Let's come together and support those who need us.

Respectfully, Lee Steininger.

Hispanic Outreach

Please continue to pray for this initiative! It has proven quite difficult to secure a leader for this ministry. We have funding for a part time person, but not a full-time person. This means that we are limited to Hispanic clergy within a reasonable driving distance of St. John's and with the time available to devote to it. This has been a challenge but please continue to pray as we seek opportunities.

A Message from the Treasurer

St. John's Endowment Fund

Did you know that St. John's has established an Endowment Fund? An initial deposit of \$10,000 was made to open the account with the Episcopal Church Foundation and we are open to receiving any gifts from large estate gifts to small cash gifts. The Endowment Fund brochure, which provides more information about the structure of the fund, how the money may be spent and how to give, is included with this Good News.

We encourage you to remember St. John's both in your estate planning and when you would like to make a special gift in thanksgiving for something in your life!

Vestry Notes

Vestry Meeting Notes: Thursday, April 21, 2022 and Thursday, May 19, 2022,
The Vestry met on April 21, 2022 and on May 18, 2023 in person and virtually via Zoom.

Reports from the Jr. Warden, Kathy Oas, and Assistant Jr. Warden, Deborah Miller-Caldwell, the Vestry was informed of several facilities and campus items requiring repair, attention, or future planning. Among the items presented and acted upon were failure of livestream audio/visual equipment, a leak in the kitchen roof, the campus sprinkler system, completion of the men's bathroom restoration, and a leak in the Priest Sacristy. A committee was formed to create a campus/facilities use agreement and the procedures to assure compliance when it is executed.

Fr. Eric shared an updated Memorandum of Understanding with Wavecrest Academy which included an increased monthly rental amount. He also has been named to serve on the Diocesan Transition Committee for the New Bishop. He continues to pursue the Hispanic Ministry with many unforeseen disruptions to the effort.

The Vestry will meet again on Thursday, June 16th. Notes from that meeting will appear in the September/August Good News due to conflict with the publishing date.

New Vestry Member: Lee Steininger has resigned from the vestry (though not from St. John's!). Kathy Oas was elected to fill the slot until the Annual Parish Meeting in January 2023 when we will elect someone to fill the remaining 2 years of Lee's term. The vestry thanks Lee for his service!

New Jr. Warden: As was planned at the beginning of the year, Kathy Oas has resigned as Jr. Warden and Deborah Miller-Caldwell was elected new Jr. Warden. The spring has been a time for Deborah to be under Kathy's "wing" and she is now ready to fly. Kathy will continue to help out as needed. We thank Kathy for 9 1/2 years of service as Jr. Warden!

From the Treasurer: Steve Bradley, treasurer, noted that parish revenues (pledge and plate offerings, not including rentals, etc.) are down by \$6,136 from expectations. While being a bit low partway through the year is normal, further analysis showed that income from pledgers is right on target (Thank You for your faithfulness!) but there has been a drop in what we refer to as "givers of record." This is a group of folks who have given regularly to St. John's over the years, but do not actually submit a pledge card. Each year the vestry anticipates a certain amount of income from these folks, based on historical patterns, but this year it is a bit short. If you are in this category and able, please consider making a gift at this time. Thank you!

Upcoming Meetings: There will be no July Vestry meeting, so the next meeting will be August 18. As will be our new practice, documents in preparation for the meeting will be posted on the church website. Visit stjohnsmlb.org, point to About and click on Vestry Documents.

History of St. John's Online

Some of you will have seen the book, "The Mission of St. John's." It is a rather detailed and carefully documented history of St. John's, published in 1981, running over 260 pages with extensive indices, etc. Until this time, there have been just a few dog-eared copies floating around, but it is now published digitally (as a PDF) and is available on the church website. Visit stjohnsmlb.org, point to About and click on A Not-So-Brief History of St. John's.

St. John's Stained Glass Windows

St. John's is blessed with beautiful stained class in a variety of styles, both traditional and contemporary. Andy Weeks has done a good deal of work assembling history and information about these windows, leaning heavily on work done previously by Bob Oas and others. Fr. Eric has also added some supplemental information regarding the meaning and message of some of the windows. A printed version is available in the church for you to peruse as you look at the windows.

Also, a new page on the church website is being developed to highlight the windows, using the same text. Watch for additional information when this is available!

Guided by Scripture

We hope that you are able to find one that meets with your regular schedule!

Meet Our Furry Friends

Dior

Luna

Ian and Marie Johnson have adopted a new friend they have named Dior. Their new "baby" is a beautiful Dutch Shepard. The Dutch Shepard is a herding dog originating from the Netherlands. This breed, also known as the "Hollander" or "Dutchie," is a rare breed of such high quality that great efforts have been made to prevent its extinction. Dior loves to chase around the house with the Johnson's Albino Doberman, Luna. Luna is happy to have Dior to play with as sadly their other baby in the photograph recently passed away.

We would love to see your furry (or feathered) friend in one of the upcoming newsletters. Email a photo along with the little one's name to office@stjohnsmlb.com. You may also drop the photo at the office.

Pet Cemetery at St. John's

Did you know St John's has a pet cemetery? Finding comfort in the ability to visit their pets at St. John's, Steve and Ginny Bradley recently refurbished the pet cemetery that is located on the East side of the Sanctuary.

Please call St. John's if you would like to have your pet laid to rest there.

Seaside Stitchers

The Seaside Stitchers meet in the parish hall on the first Monday, and the third and fourth Thursday of the month at 9:30 a.m. All are welcome, no experience necessary. This amazing group of women sew hundreds of necessary items a year and donate them to Brevard County organizations. They sew for babies and seniors and everyone in between. They would love to welcome you to their group. If you are new to sewing you will enjoy the instructional classes.

Loaning of Church Items

If you would like to borrow tables, chairs, cribs, linens etc. please speak with Fr. Eric or Kathy Oas, Jr. Warden, first as there might be an event on the schedule where these items are needed. And, of course, we need to keep track of the church's property. Please contact Kathy at kmoas40@gmail.com, Fr. Eric at eric@stjohnsmlb.org, or call the church office at 321-254-3365.
