### **COVID - 19 Protocol**

This may sound a bit of a contradiction for a healing ministry; however, we want everyone to feel safe in our learning environment. We recommend that all participants be fully vaccinated and boosted. Masks are not mandatory, however, depending on The Episcopal Diocese of Central Florida recommendations, and a spike in the virus, this may change. As always, if you feel ill, we ask that you remain at home.

Thank you for your understanding.
